

Financial Statements / Directors' Remuneration Policy

This Remuneration Policy provides details of the remuneration policy for the Directors of the Company. All Directors are independent and non-executive, appointed under the terms of Letters of Appointment, and none has a service contract. The Company has no employees.

This Remuneration Policy was approved by shareholders at the AGM of the Company held in 2019. The policy will apply until it is next put to shareholders for renewal of that approval at the Company's AGM in 2022. Any variation of that policy prior to the 2022 AGM would have to be submitted for shareholder approval.

The non-executive Directors of the Company are entitled to such rates of annual fees as the Board at its discretion shall from time to time determine.

In addition to the annual fee, under the Company's Articles of Association, if any Director is requested to perform extra or special services, they will be entitled to receive such additional remuneration as the Board may think fit, and such remuneration may be either in addition to or in substitution for any other remuneration that they may be entitled to receive.

Total remuneration paid to Directors is subject to an annual aggregate limit of £300,000, as set out in the Company's Articles of Association and amended at an AGM in December 2020.

No component of any Director's remuneration is subject to performance factors.

The rates of fees per Director are reviewed annually. Annual fees are pro-rated where a change takes place during a financial year.

Notes:

- ¹ The Board only exercises its discretion in setting rates of fees after an analysis of fees paid to directors of other companies having similar profiles to that of the Company, and consultation with third-party advisers. Individual Directors do not participate in discussions relating to their own remuneration.
- ² Additional fees would only be paid in exceptional circumstances in relation to the performance of extra or special duties. No such fees were paid in the year to 30 September 2021.
- ³ The Company has no employees. Accordingly, there are no differences in policy on the remuneration of Directors and the remuneration of employees.
- ⁴ No Director is entitled to receive any remuneration which is performance-related. As a result, there are no performance conditions in relation to any elements of the Directors' remuneration in existence to set out in this Remuneration Policy.

Views of Shareholders

Any views expressed by shareholders on the fees being paid to Directors would be taken into consideration by the Board when reviewing levels of remuneration.

Recruitment Remuneration Principles

1. The remuneration package for any new Chairman or non-executive Director will be the same as the prevailing rates determined on the bases set out above. The fees and entitlement to reclaim reasonable expenses will be set out in Directors' Letters of Appointment.
2. The Board will not pay any introductory fee or incentive to any person to encourage them to become a Director, but may pay the fees of search and selection specialists in connection with the appointment of any new non-executive Director.
3. The Company intends to appoint only non-executive Directors for the foreseeable future.
4. The maximum aggregate fees currently payable to all Directors is £300,000.

Service Contracts

None of the Directors has a service contract with the Company. Non-executive Directors are engaged under Letters of Appointment and are subject to annual re-election by shareholders.

Loss of Office

Directors' Letters of Appointment expressly prohibit any entitlement to payment on loss of office.

Scenarios

The Chairman's and non-executive Directors' remuneration is fixed at annual rates, and there are no other scenarios where remuneration will vary unless there are payments for extra or special services in their role as Directors. It is accordingly not considered appropriate to provide different remuneration scenarios for each Director.

Statement of Consideration of Conditions Elsewhere in the Company

As the Company has no employees, a process of consulting with employees on the setting of the Remuneration Policy is not relevant.

Other Items

None of the Directors has any entitlement to pensions or pension-related benefits, medical or life insurance schemes, share options, long-term incentive plans, or performance-related payments. No Director is entitled to any other monetary payment or any assets of the Company except in their capacity (where applicable) as shareholders of the Company.

Directors' and Officers' liability insurance cover is maintained by the Company, at its expense, on behalf of the Directors.

The Company has also provided indemnities to the Directors in respect of costs or other liabilities which they may incur in connection with any claims relating to their performance or the performance of the Company whilst they are Directors.

The Directors' interests in contractual arrangements with the Company are as shown in the Report of the Directors. Except as noted in the Report of the Directors, no Director was interested in any contracts with the Company during the period or subsequently.

Review of the Remuneration Policy

The Board has agreed that there would be a formal review before any change to the Remuneration Policy; and, at least once a year, the Remuneration Policy will be reviewed to ensure that it remains appropriate.
