

FINANCIAL STATEMENTS / REPORT ON REMUNERATION IMPLEMENTATION

This Report is prepared in accordance with Schedule 8 of the Large and Medium-sized Companies and Groups (Accounts and Reports) (Amendment) Regulations 2013.

A resolution to approve this Report on Remuneration Implementation will be proposed at the AGM of the Company to be held on 19 December 2018.

Statement from the Chairman

As the Company has no employees and the Board is comprised wholly of non-executive Directors, the Board has not established a separate Remuneration Committee. Directors' remuneration is determined by the Board as a whole, at its discretion within an aggregate ceiling of £200,000 per annum. Each Director abstains from voting on their own individual remuneration.

Directors' fees for the year ended 30 September 2018 were at a level of £38,500 per annum for the Chairman and £25,300 per annum for other Directors. The Chairman of the Audit Committee received an additional fee of £4,400 per annum and the Senior Independent Director an additional fee of £2,500 per annum. There have been no changes relating to Directors' remuneration made during the year. Directors' fees were last increased on 1 April 2017.

There will be no significant change in the way that the approved Remuneration Policy will be implemented in the course of the next financial year.

Directors' Emoluments (audited information)

Directors are only entitled to fees at such rates as are determined by the Board from time to time and in accordance with the Directors' Remuneration Policy as approved by the shareholders.

None of the Directors has any entitlement to pensions or pension related benefits, medical or life insurance schemes, share options, long-term incentive plans, or performance-related payments. No Director is entitled to any other monetary payment or any assets of the Company. Accordingly the Single Total Figure table below does not include columns for any of these items or their monetary equivalents.

As the Company does not have a Chief Executive Officer or any executive Directors, there are no percentage increases to disclose in respect of their total remuneration, and it has not reported on those aspects of remuneration that relate to executive directors.

Directors' & Officers' liability insurance is maintained and paid for by the Company on behalf of the Directors.

In line with market practice, the Company has agreed to indemnify the Directors in respect of costs, charges, losses, liabilities, damages and expenses, arising out of any claims or proposed claims made for negligence, default, breach of duty, breach of trust or otherwise, or relating to any application under Section 1157 of the Companies Act 2006, in connection with the performance of their duties as Directors of the Company. The indemnities would also provide financial support from the Company should the level of cover provided by the Directors' & Officers' liability insurance maintained by the Company be exhausted.

Note: the items listed in the table above are as required by the Large and Medium-sized Companies and Groups (Accounts and Reports) (Amendment) Regulations 2013 ss.20 with the exception of the management fee and other expenses, which has been included because the Directors believe it will help shareholders' understanding of the relative importance of the spend on pay. The figures for this measure are the same as those shown in note 3 to the financial statements.
